## SUMMARY

With an excellence in communication, visualization, and follow through, Aubrey Azmar is an artist in NYC that's ready to take on whatever role needs him. From After Effects rigging, Illustrator Art, to visual development, Aubrey is a fast learner who suits an equally fast-paced environment. And, with the ability to handle clients from the East and West coast, he's determined to respond and follow-up with whatever is sent his way. Available all days of the week.
